

Republic of Rwanda
Ministry of Education

Kigali, 10/09/2025

N°: 1705/12.01/2025

Mayors (All)

Vice Mayors (All)

Dear Sir/Madam

Re: Implementation of District and School Leaders' Education Imihigo

Following the Imihigo Harmonization Workshop held with the Ministry of Finance and Economic Planning and the Local Government on 22nd - 24th July, 2025 at the National Institute of Statistics Rwanda; and following the Education Imihigo in Districts and Schools Workshop held with the Local Government on 4th and 5th September, 2025, the Ministry of Education hereby issues the Implementation Guidelines for District and School Leaders' Education Imihigo effective from September of the 2025/2026 academic year.

These performance contracts are designed to improve accountability, service delivery, and drive measurable progress in school management, teaching quality, data systems, and learner outcomes.

Enclosed are the respective implementation guidelines for districts and for schools. Continuous sharing of statistics, evaluation reports, and data between the Ministry of Education, the National Examinations and Schools Inspection Authority, the Rwanda Basic Education Board, and local government (sectors and districts) will ensure alignment and targeted support to schools.

We appreciate your continued collaboration.

Sincerely,

Charles Karakye

Permanent Secretary
